

**YW camp address:**  
 Beaver Creek Reserve  
 Hobbs Observatory  
 S1 County Hwy K, Fall  
 Creek, WI 54742

Beaver Creek is a big property spread out on two sides of the road with the Youth Camp on the one side and the Wise Nature Center on the other side.

**If coming in from 94 E and WI-312 E** you will end up on Olson Dr. When you make the last turn on to N 130th Ave (aka CTY Hwy K) you will see the “Wise Nature Center” on the Left. Just down from it on the right, is where you want to turn in for YW camp. **There is a sign that says “Youth Camp, Science Center, Hobbs Observatory, Wildlands School”.** Turn right **at that entrance**. Then park in the first parking lot on the right.

Then you can walk into camp. Meet at the dining hall which is down the way from the parking lot and to the left. It sits in the center of camp.
